THE CHARLEROI MAIL

VOLUME XXI—No. 58. CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, THURSDAY, AUGUST 12, 1920. TWO CENTS

WAGON MINE OPERATORS FORM A PERMANENT ORGANIZATION

Will Go Before Pnblic Service Commission to Protest Recent Ruling

MANY WERE IN ATTENDANCE

The "Independent Coal Shippers' Association" was formed in Charleroi Wednesday evening, the meeting being held at the law offices of D. M. McCloskey in the First National Bank Building. Representatives of a large number of wagon mine operators were present, and a temporary organization was effected by the election of D. M. McClockey as chairman and Roy I. Carson as secretary. The organization then proceeded to a permanent organization by election of the following officers:

President—A. E. Walrath, of Charleroi.

Vice President—J. Marr McMahan, Marianna.

Secretary—Roy I. Carson, of Charleroi.

Treasurer—Mathew Lynn, of Dunlevy.

The first business of the meeting was to select a name for the organization, which resulted in the adoption of the caption, "Independent Coal Shippers' Association" and a membership fee was fixed at $25.00.

A committee on organization and finance, composed of William B. Neal of Rices Landing; H. L. Long, of California; William A. Long, of Marianna; J. K. Smith, of Charleroi; Louis Obsharsky of Pricedale; Charles Melenyzer of Belle Vernon; Wilbur Frye of Speers; Robert Wilson of Roscoe; Charles Schrader of Monessen; S. M. House of Bentleyville; S. R. Blythe of Charleroi; Grant Sampson of Donora; Bert Qualy of Coal Center and Charles Stroud of Charleroi as chairman was named, which committee will map out the necessary details in connection with objects desired.

An executive committee of three members, consisting of the President, Mathew Lynn of Dunlevy and J. W. Latchem of Charleroi, was appointed. A by-law committee composed of Roy I. Carson as chairman, Charles Baker of California, and Bert Wright of Charleroi, was also appointed.

The immediate object of the organization is to file a protest with the Public Service Commission against the ruling made on Monday, which denies to all wagon mines any cars unless they have a tipple and a private siding. The protest will be prepared and forwarded at once, and later the organization will have its representatives appear before the Commission to present their side of the situation.

The following firms and individuals were present or represented at the meeting:—John Redd, Charles A. Stroud, Winnett & Hopewell, John P. Rogers, Frank Mayhood, Horn Coal company Michael Swirlbul, Samuel Obsharsky, J. W. Latchem, Reed & Pfile, Greene County Fuel company, Daisytown Coal company, Riggs & Jack, J. Marr McMahan, A. E. Walrath, Reed & Fuester, Robert Wilson, Shearer Coal Company, Reed & Carson, Lynn Brothers, Kirk Kirkpatrick.

The next meeting will be held Tuesday evening, August 17.

VERDICT AGAINST STEEL CO. STANDS

The Supreme Court of the state, sitting in Philadelphia, on Saturday handed down a decision which will be of considerable interest to a number of Donora residents. In the case of Frank and Mamie Burkhardt against the American Steel and Wire company, taken up from the common pleas court of Washington county to the Superior Court, the petition of the defendant to be allowed an appeal from the Superior Court was refused. Original suit was brought by the Burkhardts against the steel company for injury to Mrs. Burkhardt's health by reason of fumes from the acid plant near by. The plaintiffs secured verdict in the lower court.

BALL GAME ENDED IN A TIE SCORE

One of the most exciting base ball games ever staged in this section of the valley was played at Electric Park Monessen last evening, when the Charleroi McIlvaines stacked up against the Page Steel and Wire team in the fourth game of a five-game series.

The record at this time stands two games to one in favor of the Page team, and had they won last night it would have ended the series. On the other hand the Charleroi boys knew they had to win or tie to prevent losing the series and they made a bold bid for the game. The great stumbling block in their way, however, was one Ulery, a former State man, who is looked upon in Monessen as a local "Babe" Ruth, and he made good his reputation in the game last night. In the first inning, with one on, he poled a homer over the river bank, while in the ninth inning, with Charleroi leading by one run he came to bat. One man was on base and Ulery straightened a shoot for three bases, scoring the man on the paths for the tying run. That ended the scoring, although the game went eleven innings, neither side being able to break the deadlock, and the contest ended 3-3.

McIlvaine and Underwood formed the battery for Charleroi, while Krepps and Costello were at the points for Monessen. The game drew a large attendance, and the game was intensely interesting. The tie will be played off Saturday, August 21. "Vic" and "Callie" McGinty were in the lineup for Charleroi.

I will collect that rent, positively in advance and guarantee no vacancies. Clyde B. Cope, Real Estate and Insurance, 315 McKean avenue. 21-tf*

Owners of Non-Tax Paid Dogs To Be Prosecuted

Mr. Fox, a representative of the state department of agriculture has been in Washington for the past week in connection with prosecutions that will be made by the state authorities against persons who have failed to pay their dog tax. Mr. Fox has a list of more than 200 names of people who are delinquent in this tax. These will be checked up by the records of the county commissioners' and county treasurers' offices and secured the names of all persons who failed to pay.

The enforcement of the dog tax law of 1917 is in the hands of the state secretary of agriculture who has the power to call upon all county borough and township constables for aid. Heretofore the dogs of all persons who failed to pay their tax were killed, but last year it cost the state [illegible] this method and Mr. Fox [illegible] Washington county.

This week Mr. Fox is going over the county securing [illegible] who have failed to pay the dog tax and [illegible] immediately. This is a matter that will come before the court of quarter sessions. The law also provides that owners of dogs must not allow them to run at large, and proceedings will be instituted against all persons who violate this law, regardless of whether they have paid their dog tax or not. Mr. Fox is being assisted by Game Warden Kennedy of Monongahela.

CHILD DIES FROM EFFECT OF BURNS

Coroner Greenlee will likely direct than an inquest be held some time soon to inquire into the death of Anastyzy Katzy, aged three and one-half years, daughter of Mr. and Mrs. John Katzy, of Fallowfield township, near Lock Four. The little girl died at her home Wednesday morning about 11 o'clock, from burns received the evening before, but in a manner at the present time unknown.

The accident, if it was such, happened about 7 o'clock Tuesday evening, when the little girl came running into the house with her clothing all on fire. Dr. Sickman was called to attend the child and he found that she had been seriously burned on the arms, legs and body, which was the immediate cause of her death. When Deputy Coroner Crowley learned of the circumstances surrounding the death of the child he notified the coroner and advised that an investigation be made.

WRITERS SHOULD SIGN NAMES TO COMMUNICATIONS

The Mail is in receipt of two letters from residents of Charleroi, both received on Tuesday, to which it would be willing to give the usual newspaper courtesies if the writers had only signed their names as evidence of good faith. It is the policy of this paper to give no attention to anonymous communications, and we have so stated on previous occasions, but there be those who, in sending communications to the paper, appear to be fearful of signing the articles or the letters which they write. This paper must have the name of all such authors, not for publication, but as a matter of good faith on the part of those who try to "get by" with such communications. We are always pleased to receive letters on matters of public interest, and The Mail has no hesitancy in giving them publicity, but the authors must make themselves known to the editor, otherwise such communications will find a resting place in the waste basket.

WILL PUSH RELIEF AND WELFARE WORK

Important steps for the furthering of welfare and relief work of the American Red Cross in Washington county were taken up at a meeting of the executive committee held at Washington on Tuesday. It was decided that an exhibit would be made at the Washington fair which opens August 31, provided space can be secured. One of the two nurses employed in the county will be present, as well as a representative of the home service department to give advice and assistance to ex-service men.

Miss Catherine Carr, formerly of the Allegheny county chapter, has been secured to assist in the home service department in this county. She took up her work the first of the month, and will visit all sections of the county, spending two days each week in Monongahela, two days on the Panhandle, one day in Washington, and the balance of the time in other sections where her services may be needed.

Annual Red Cross roll call will be observed in this county from November 11 to November 25. An effort will be made to secure one member in every household and equal the record enrollment of 22,000 secured during the war.

Many from Charleroi and vicinity will attend the big auto races at Monongahela City on Saturday Aug. 14. Nat Fetterman the dirt track speed king will challenge all comers, and some spirited races are expected. The New Eagle Band will furnish music for grand stand patrons and the promoter is prepared to handle the largest crowd that has ever witnessed an auto race in this section. 58-t1p*

Notice I. O. O. F.

All Odd Fellows are requested to be present at a meeting to be held Thursday night at 7:30 of all the lodges of Eastern Washington County District. Each lodge of this district will be represented by a delegation.

By Order of Noble Grand.
E. G. Shipley. 57t2*

COMMISSIONERS CONSIDERING SPEERS-COAL CENTER ROAD

Many Former Preliminary Matters Will Be Done Away With

A NEW BASIS FOR ESTIMATES

Information from Washington says the county commissioners are giving consideration to the plan of construction of State Highway Route No. 268, known as the Speers-Coal Center, news which will be very pleasing to people who live in this section of the valley. The project has been under consideration for so many years, however, that the people directly interested are somewhat tired of that phase of the situation, what they want at the present time being action.

It is known of course that to construct a highway along that section of the river between Speers and Coal Center will require a re-location, and the obtaining of a number of new rights of way, which will do away with a number of grade crossings over the tracks of the Pittsburgh Railways company.

However it is said the commissioners finally decided that all preliminary matters having to do with former efforts to reach satisfactory conclusions regarding certain physical features in connection with the building of that part of the road above Allenport, and concerning which there are contradictory recollections, should be removed from present consideration and that the project be put forth as a new proposition and upon an entirely new basis. This is said to have been agreeable to all concerned, and within the past few days the county commissioners have entertained delegations from the Charleroi Board of Trade and representatives of the Pittsburgh Steel Products company, through whose holdings the road passes. Each of these bodies expressed intentions of doing all they could to further the immediate starting of work upon the road.

The county commissioners are in receipt of a communication from the state highway department, stating that District Engineer Fitzsimmons, of Washington, has been requested to confer with the engineer of the Pittsburgh Steel Products company and County Engineer Chaney, in order to arrive at estimates which can be used as a basis for agreements covering additional costs of constructing the upper section of the road on the proposed new location.

MONONGAHELA TO INSTALL POLICE SIGNAL SYSTEM

Within a short time a police signal system will be installed at Monongahela. This announcement was made by Mayor W. A. Allen a few days ago, who has been at the [illegible] plans for some time. [illegible] to be installed it will [illegible] call an officer, no matter where he may be located within the city limits. A red light signal will be installed at various points throughout the town, which will be flashed by a turnkey at the city hall during the night should there be a call for an officer. The officer can either report at the station or call by phone to ascertain what is needed. In this way all calls for police officers will be much expedited.

BURGLARS FOILED IN ATTEMPTED ROBBERY

What is believed to have been an attempt to rob a family at Eighty-Four last week, with the use of some sleep-producing drug, was frustrated by one of the members of the family who was thoughtful enough to use the telephone before the effects of the drug had fully taken effect.

The burglary was attempted at the home of Boyd Pees, and is somewhat surrounded by mystery. Mrs. Pees was ironing near a window last Thursday night, when she heard what she thought was a cat sneezing. Then she smelled the drug and began to feel the effects. Evidently it had been sprayed through the open window.

Although she had not seen or heard any one Mrs. Pees became alarmed and telephoned a neighbor to come to her assistance. They arrived before she lost consciousness and the plans of the burglars were foiled. Bloodhounds were secured and followed a trail to a nearby road, where it is believed the burglars had left a car. No further developments have been made in the case. At the time of the attempt to burglarize the home Mr. Pees was at work in the oil field near Bentleyville.

HELD FOR COURT ON SERIOUS CHARGE

Baptiste Briatico, of Belle Vernon, driver of the automobile which turned turtle on the National Pike, near Hopwood, Sunday afternoon, July 25, killing three persons and injuring two others, waived a hearing before Alderman J. W. Darby at Uniontown on Saturday last. He is charged with a violation of the automobile laws of the state and manslaughter. In each charge bail in the sum of $1,000 was furnished by George Lange, of Belle Vernon.

William Pelzer and John Rotterman of Lock Four, have returned home from a visit with friends in New Kensington. The trip to and from Kensington was made by automobile.

COAL PRIORITY ORDER EXTENDED TO SEPT 21.

Extension until September 21 of the order requiring railroads east of the Mississippi to give priority to coal mines in the assignment of cars was announced on Wednesday by the Interstate Commerce Commission. This order refers to open top cars used in the coal trade, and against which the mills have made a protest.

Mr. and Mrs. J. H. Bowers and daughter Miss Jean are spending several weeks in Atlantic City and New York.

VACATION SUBSTITUTES

With prices sky-high at the shore and in the mountains many people find it necessary to give up their usual vacation trips, or at the best to content themselves with a week-end excursion or two. In the circumstances discussions of vacation substitutes are inevitable, and these do not stop at the usual recommendations of more open-air exercise in one's own neighborhood. One editor even suggests that a good way to get a useful summer "vacation" is to "stay at home and eat"—meaning, of course, that a tenth of the money spent on an expensive trip would procure many good things to eat which at present prices are indulged in very sparingly by many people at home and that are not provided even at high-priced summer resorts. He says: "There is many a man sniffing the high-priced air of the White, Blue, Green or otherwise mountains and yearning himself thin for a whiff of fried fish. Some sizzling soft-shell crabs, maybe, or flounder fresh from the briney. More than one dainty housewife taps her eager foot on a by-the-month suburban porch, the light of hunger leaping in her eye as the sugar corn goes trucking past on its way to the city." And the ruby melons and luscious fruits!

Not a bad suggestion, but it can be improved on by adding "loaf more" to the advised "eat more." To let up on the daily grind or a while to be laxy, sleep more, and pamper one's appetite, may put one in better physical shape after a fortnight or a month than a most expensive summer vacation and at a tenth of the cost.

DEATH FOR COWARDICE.

The attention of thoughtful observers is arrested by the official announcement that 343 death sentences were carried out in the British army during the World War, 266 of these executions being for desertions. The death sentence for desertion is supported by public opinion because it is understood that without the fear of this extreme penalty the disintegration of an exposed army might reach dangerous limits in times of the very greatest stress. No doubt the 266 death sentences for desertion are approved by the majority in England, but when we read that 18 out of the total of 343 executions were for cowardice, it is not surprising to learn further that there is an uneasy feeling that some of these sentences were unjust. There are American readers who now hear for the first time of death sentences for exhibitions of cowardice, having previously supposed that men caught retreating to the rear without orders were severely punished but not shot.

It is stated that as the war proceeded the mental condition of men charged with cowardice was more carefully studied by experts and penalties were meted out with more discrimination. In some cases hysteria and shell shock were found to be responsible for behavior that would formerly have been attributed to cowardice. A man may be regarded as a despicable coarwd when in reality he is a nervous wreck incapable of command over himself. Obviously it is desirable in such cases that the mental condition as revealed by psychological examination should receive studious attention.

Poverty is really a state of mind. You have all seen the rich man who eternally bewailed his empty pocket-book, and you have all seen the poor man, whose poverty as such never occurred to him. There is an old Latin proverb something to the effect that "not he who has little but he who wants is poor." and truer words were never spoken.

Teach your boy to have sound moral judgment when he is very young. and you will not in later years be singing that sad old song, "Where is my wandering boy tonight?" with a heavy heart.

BELL-ANS FOR INDIGESTION

A WONDERFUL HELP

At Two Stages of Life Lydia E. Pinkham's Vegetable Compound Made Mrs. Fairburn Strong And Well.

Chattanooga, Tenn.—"I used Lydia E. Pinkham's Vegetable Compound before my baby came when I could [illegible] keep up. It strengthened my back and relieved [illegible] the [illegible] spells at [illegible] times. It helped me wonderfully. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever had to lie down during the day and seldom had dizzy fainting spells. I am now well and strong, can do all my housework with perfect ease and it is a comfort [illegible] to say to other suffering women 'Take Lydia E. Pinkham's [illegible] and be strong.' I will be glad to [illegible] use my name if it will be the means of helping any one." —Mrs. J. A. Fairburn, [illegible] Orchard Knob Avenue, Chattanooga Tenn.

For forty years this famous root and herb medicine has been pre-eminently successful in controlling the diseases of women. Merit alone could have stood this test of time.

DOCTORS PUZZLED; IRONTON MAN UNABLE TO SLEEP

Frank Shafer, of North Second Street, Ironton, Ohio, Couldn't Sleep; He's O.K. Now, Thanks To Reese Formula R-11

In a letter to The Reese Formula Co., Frank Shafer of North 2nd St. Ironton, Ohio, tells of his efforts to get relief from stomach trouble and the wonderful results obtained by using The Reese Formula R-11.

"I have suffered for a long time from what seemed to be a lump in the pit of my stomach. I was bilious, nervous and couldn't sleep at night. I tried several doctors and about every remedy on the market without relief. Hearing of The Reese Formula R-11 I secured a bottle and, although I have not yet finished the first bottle, my stomach trouble has disappeared. I feel fine and have slept like a top for the last three nights, something I haven't done for months. I am recommending The Reese Formula R-11 to all my friends for it is positively the greatest stomach, liver and kidney remedy I know of."

"JAKIE" CASES ARE BEFORE GRAND JURY

Before the Washington county jury this term is a number of liquor cases and several of them involve the sale of "jakie." It is said that in and about Pittsburgh there is now being manufactured a large quantity of this stuff and that big money is being made from its sale It is purchased by dealers at about its real value and sold at a big profit. In Fayette county the sale of "jakie" has been ruled by the court as a violation of the Brooks law.

HOW ANY GIRL CAN HAVE PRETTY EYES

No girl or woman is pretty if her eyes are red, strained or have dark rings. Simple witchazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash, will brighten the eyes and a week's use will surprise you with its QUICK results. Regular use of Lavoptik keeps the eyes healthy, sparkling and vivacious. The quick change will please you. Dainty aluminum eye cup FREE. Hennings Drug Store, corner Fifth and McKean.

They Don't Need Much Sugar

Old fashioned housewives canned by the open kettle method, and required a great deal of sugar to keep the fruit. When sugar was scarce or high they canned very little.

The scarcity of sugar this year is making little difference in canning. The cold pack methot not only makes vegetable canning safe and advantageous, but it permits fruit canning to be done in a very light syrup. With our equipment, fruits may be safely canned without sugar.

We have all sizes Jars, Covers, Good Luck Jar Rings, Wrenches, Wax, Ladles, Funnels, Tops, Sieves and Strainers, Handy Jelly Bag or Strainer with table attachment: wood spoons, enamel, aluminum, tinned Basting Spoons, all sizes; Fruit Jar Racks, used in the wash boiler, Handy Fruit Jar Holders. Everything you will need for canning fruits and vegetables.
